MAD LIBS

Usually my family likes to spend our time verb ending in -ing and verb ending in -ing. date was different. This was the day my family would set out on the adventure of a life time, we were going to verb up noun Mountain. The adjective mountain of all. We would verb this mountain and celebrate our hard work together with a food at the top. Everyone had different feelings about this. family member felt emotion, family member was feeling emotion we might forget our noun and I felt emotion. The weather was weather report. It was time! At the last minute, we decided to invite person's name along because they love a adjective adventure. And so we set off, nothing could stop us now. We arrived to the bottom of the mountain, surprised to see a noun.
